

Doc. # 5079
#ADOPTED 8/18/88

RESOLUTION OF THE BOSTON REDEVELOPMENT AUTHORITY
RE: TENTATIVE DESIGNATION OF PARCEL D-9A IN THE WATERFRONT
URBAN RENEWAL AREA
PROJECT NO. MASS. R-77

WHEREAS, the Boston Redevelopment Authority, (hereinafter referred to as the "Authority"), has entered into a contract for loan and capital grant with the Federal Government under Title I of the Housing Act of 1949, as amended, which contract provides for financial assistance in the hereinafter identified project; and

WHEREAS, the Urban renewal Plan for the Waterfront Urban Renewal Area, Project No. Mass. R-77 (hereinafter referred to as the "Project Area"), has been duly reviewed and approved in full compliance with local, state and federal law; and

WHEREAS, the Authority is cognizant of the conditions that are imposed in the undertaking and carrying out of urban renewal projects with federal financial assistance under said Title I, including those prohibiting discrimination because of race, color, sex, religion, or national origin; and

WHEREAS, 185 State Street Associates has expressed an interest and submitted a satisfactory proposal for the development of Disposition Parcel D-9A in the Waterfront Urban Renewal Area; and

WHEREAS, the Authority is cognizant of Chapter 30, Sections 61 through 62H of the Massachusetts General Laws, as amended, with respect to minimizing and preventing damage to the environment:

NOW, THEREFORE, BE IT RESOLVED BY THE BOSTON REDEVELOPMENT AUTHORITY:

1. That 185 State Street Associates be and hereby is tentatively designated as Redeveloper of Parcel D-9A in the Waterfront Urban Renewal Area subject to:

- (a) Concurrence in the proposed disposition transaction by the Department of Housing and Urban Development;
- (b) Publication of all public disclosure and issuance of all approvals required by the Massachusetts General Laws and Title I of the Housing Acts of 1949, as amended;
- (c) Submission within two hundred and seventy (270) days in a form satisfactory to the Authority of:
 - (i) Evidence of the availability of necessary equity funds, as needed; and
 - (ii) Evidence of firm financial commitments from

banks or other lending institutions: and

(iii) Final working drawings and specifications;
and

(iv) Proposed development and rental schedule.

2. That disposal of said parcel by negotiation is the appropriate method of making the land available for redevelopment.

3. That it is hereby found and determined that the proposed development will not result in significant damage to the environment and further, that all practicable feasible means and measures have been taken to avoid or minimize damage to the environment.

4. That the developer be and hereby is authorized to petition the Board of Appeals for any zoning changes that may be necessary to complete the proposed development.

5. That the Secretary is hereby authorized to execute and deliver a License agreement with 185 State Street Associates for early entry to Parcel D-9A for the purpose of repairing the roof. Furthermore, said License shall include the provision that the Authority shall be named as additional insured, as well as incorporate the Authority's usual requirements.

6. That the Director is hereby authorized for and on behalf of the Boston Redevelopment Authority to execute and deliver a Land Disposition Agreement and Deed conveying Parcel D-9A to 185 State Street Associates, said documents to be in the Authority's usual form, and a promissory note and mortgage as may be required.

7. That the Secretary is hereby authorized and directed to publish notice of the proposed disposal transaction in accordance with Section 105(E) of the Housing Act of 1949, as amended, including information with respect to the "Redevelopers' Statement for Public Disclosure" (Federal Form H-6004).

Re: 185 State Street, Boston, Mass.

Dear Mr. Coyle:

Please accept this letter as a formal offer on behalf of 185 State Street Associates (the "Developers") to purchase and develop 185 State Street, Boston, Massachusetts for the purchase price of Two Million Two Hundred Thousand Dollars (\$2,200,000.00) payable as follows:

1. One Million Dollars (\$1,000,000) in cash;
2. One Million Two Hundred Thousand Dollars (\$1,200,000) to be paid within four (4) years with interest at the Bank of Boston prime rate plus two percent (2%);
3. Interest during construction, which is expected to be fourteen (14) months, will be accrued; and
4. The Boston Redevelopment Authority ("BRA") will subordinate their One Million Two Hundred Thousand Dollar (\$1,200,000) note to construction and permanent mortgage lenders.

Stephen Coyle, Director

The Developers (all of whom are minorities) intend to develop the premises into high-quality office space, and in particular, quality affordable space for minority individuals, businesses and organizations interested in locating and conducting business in the downtown area. We have already received significant expressions of interest from prospective lessees including the Boston Bank of Commerce (which has made a tentative commitment to relocate its headquarters in the Project), the Professional and Business Club, Inc. (the "Club"), a minority business and social club (which is interested in locating its Club and restaurant facilities in the Project), and Input-Output Computer Services, Inc. (which is looking for office space). Additionally, the Developers expect to attract attention from some of the Black Enterprise 100 firms who have expressed an interest in locating offices in downtown Boston.

The Developers include Ronald A. Homer, President of the Boston Bank of Commerce; Randolph Kinder, Vice President, Equitable Life Insurance Company; Joseph D. Warren, Director of Community Affairs, Northeastern University; Bernard T. West, President and CEO, Coolidge Bank and Trust Company; Fletcher H. Wiley, President of BWR Realty Associates, Inc., the real estate subsidiary of Budd, Wiley & Richlin, P.C.; and The PBC Corporation, owner of the premises at 543 Massachusetts Avenue and comprised of the shareholders whose names appear on Exhibit A attached hereto. Each and every team member has extensive experience in real estate development and can easily, effectively and efficiently accomplish his respective responsibilities in the Project. In addition, as part of the team's abiding commitment to minority business enterprise, all of the principal elements involved in the development of the Project (e.g. contractors, subcontractors, architects, attorneys, etc.) will be minorities.

We are excited about the prospects about making this Project the first tangible demonstration of the City's commitment to minority involvement in downtown business development. With your assistance and cooperation, 185 State Street will be the harbinger of things to come, and as such, add further luster to the Flynn Administration's and BRA's growing reputations as wise and creative innovators.

Sincerely,

Bernard T. West

Re: 185 State Street, Boston, Mass.

Dear Mr. Coyle:

In accordance with your Board's action on October 8, 1987 regarding the above-referenced property, Mr. James Flaherty and Clarence Jones of your Board, along with BRA staff members Ricardo Millett and Pamela Moulton, met with myself and other principals of 185 State Street Associates (Ron Homer, Joseph Warren and Fletcher Wiley) to resolve any lingering concerns regarding the project. I believe we have succeeded in that effort; and other than presenting the Committee with a few clarifications of our original proposal, there were a limited number of modifications we were asked to consider. Accordingly, we are hereby submitting for your review the following amendments to our proposal of September 16, 1987 (a copy of which is enclosed herewith). First, we are reducing the four (4) year amortization period for your purchase money financing to three (3) years. Secondly, we are requesting that interest during construction be accrued for eighteen (18) months rather than fourteen (14) months.

Stephen Coyle, Director
October 26, 1987
Page Two

In all other respects, our proposal remains the same; and we look forward to taking the next step. In that regard, we hope to hear from you in the very near future, and in the meantime, thank you again for your continuing assistance and cooperation.

Sincerely,

Bernard T. West

MEMORANDUM

August 18, 1988

TO: BOSTON REDEVELOPMENT AUTHORITY AND STEPHEN COYLE,
DIRECTOR

FROM: RICARDO A. MILLETT, ASSISTANT DIRECTOR FOR
NEIGHBORHOOD HOUSING AND DEVELOPMENT

SUBJECT: 185 STATE STREET

SUMMARY: Request authorization to tentatively designate 185 State Street Associates as redevelopers of Parcel D-9A, located at 185 State Street in the Waterfront Urban Renewal Area, and which was referred to sub-committee on October 8, 1987. and June 23, 1988. Said request for tentative designation is on revised terms, as recommended by the sub-committee. Authorization is also requested for the Director to enter into a License Agreement with 185 State Street Associates for early entry to repair the roof.

BACKGROUND

Parcel D-9A in the Waterfront Urban Renewal Area is located at 185 State Street, one block west of the Southeast Expressway. It is owned by the Authority, and consists of an eight-story masonry building containing approximately 32,000 g.s.f on a footprint of approximately 4,000 s.f of land. The structure contains a usable basement. The existing zoning is B-10, permitting retail and office uses.

The building was constructed in 1885 as a five-story structure of granite block. A three story brick addition was constructed in the 1930s. The building is currently used by the Property Management staff of the Authority, and as storage for Authority records. At present, the structure's roof needs repairs.

In October 1986 the Director was contacted by 185 State Street Associates interested in 185 State Street as an opportunity for minority developers to establish a presence in downtown Boston by developing first class office space. Since that time, staff has met with the developers to hold preliminary development discussions. 185 State Street Associates, composed entirely of minority entrepreneurs, includes Fletcher Wiley, President of BWR Realty Associates, Inc., Ronald Homer, President of Boston Bank of Commerce, Randolph Kinder, Vice President of Equitable Life Insurance Co., and Joseph D. Warren, Director of Community Affairs at Northeastern University, and Bernard T. West,

President and CEO of Coolidge Bank and Trust Company.

DEVELOPMENT PROPOSAL

On September 16, 1987, 185 State Street Associates submitted a proposal to purchase the site, and the proposal went to the Board on October 8, 1987. The Memorandum was taken under advisement, and assigned to sub-committee, and taken under advisement again on June 23, 1988. 185 State St. Associates has amended their proposal as follows:

I. The team wishes to renovate the building and market the space as condominium commercial office and retail space at all market sales rates.

The team already has received expressions of significant interest from prospective occupants, including the Boston Bank of Commerce (two floors plus 1500 s.f. of retail space), Input-Output Computer Services (one floor) and the Social Policy Research Group (one or two floors).

II. 185 State Street Associates conducted an appraisal which determined the re-use value at \$1.8 million dollars. However, the re-use appraisal completed by the Authority and submitted under separate memorandum recommends a price of \$2.2 million dollars which the developers agree to pay. Payment will be made by one million in cash and the remainder deferred at an interest rate of prime plus two for three years, evidenced by a promissory note. Interest during construction will be deferred and accrued over eighteen months.

Additionally, the Authority reserves the unconditional option to purchase for the deferred remainder of the purchase price including interest the fourth, fifth and sixth floors of 185 State St. The buildout shall be turnkey to the four walls, with all appropriate systems installed, occupiable to Building Code standards. This option may be exercised over a six month period on either side of the Certificate of Occupancy.

Attached are copies of the letters from Bernard West transmitting the formal offer as amended from 185 State Street Associates to purchase 185 State Street for \$2.2 million and to develop it as office space, together with a project pro forma.

Because this project would be the first in Boston's downtown development history to be undertaken by an all-minority team, it is recommended that 185 State Street Associates be tentatively designated as redevelopers of Parcel D-9A for use as office and retail space, and additionally, the Authority reserves the unconditional option to purchase for the deferred remainder of the purchase price including interest the fourth, fifth and sixth floors of 185 State St. with buildout to be turnkey to the four walls, with all appropriate systems installed, occupiable to Building Code standards, and that the Director be authorized to

enter into a license agreement with 185 State Street Associates for early entry to repair the roof.

An appropriate resolution follows:
